## EDUCATION

### Arizona State University

#### Bachelor of Science in Applied Computing – Cybersecurity

Awarded Dean's List Certificate for 3 Semesters

Relevant Coursework: Global Justice (POS480), Private Pilot Ground School, Database Management (SER322), Network Security (ACO431), Design Thinking for National Security (ACO482), Digital Forensics (FOR350), U.S. Intelligence Community (INR294)

## EXPERIENCE

#### Student Workforce Trainee | Federal Bureau of Investigation (FBI)

June 2025 – Present

San Francisco, CA | Phoenix, AZ

- Obtained a Top-Secret TS/SCI Clearance
- Led and managed an outreach initiative to deliver counterintelligence defensive briefings to elected officials and senior staff across the Bay Area, including district directors and individuals assessed as vulnerable to foreign malign influence
- Analyzed administrative subpoenas returns to identify patterns and consistencies; authored formal analytical reports to support casework
- Conducted open-source intelligence (OSINT) research using social media platforms and news outlets in multiple languages to support casework and investigative analysis
- Collaborated directly with Special Agents and field personnel to support investigative operations, contributing research and analytical insights to active casework

#### Student Consultant | Hacking for Defense (H4D)

September 2025 - Present

Arizona State University, Tempe, AZ

- Partnered with the Indiana Air National Guard and Hacking for Defense (H4D) to design scalable, cost-effective Multi-Domain Operations (MDO) training range concepts for Camp Atterbury, critical to future Intelligence & Electronic Warfare (IEW) company training contracts.
- Analyzed cross-domain training requirements—land, air, sea, cyber, electronic, and space—identifying needs such as signal detection, emitter effectiveness, and counter-jamming operations
- Collaborated with Department of Defense sponsors, Guard leadership, and technical mentors to ensure solutions addressed infrastructure, funding, and readiness needs while providing real-world applicability and impact on future defense training investments

## LEADERSHIP

#### President | ASU Club Tennis

May 2025 – Present

Tempe, AZ

- Oversee team operations, \$30,000+ budget management, public relations, and compliance with ASU Sport Club policies. Acted as primary liaison with USTA, ASU Sports Clubs, and other university teams
- Lead planning and logistics for tournaments with 150+ players, including the annual Devil's Classic, while supporting officer coordination and maintaining a positive, inclusive team culture. Strengthened skills in organization, communication, and conflict resolution through hands-on leadership

#### Site Director | Lead Instructor

June 2024 – August 2024

San Francisco, CA | Medford, OR

United States Tennis Association PNW

- Employed example-based instruction style to build trust as hands-on leader and guaranteed safety of activities
- Facilitated open and constructive communication across staff, parents, and student groups to align on goals and maintain high program standards
